

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE
UNITED STATES POSTAL SERVICE
AND THE
NATIONAL ASSOCIATION OF LETTER CARRIERS, AFL-CIO**

Re: City Delivery Staffing Adjustment – Conversions to Part-time Flexible and Full-time Regular Status

In order to adjust staffing and maintain compliance with the contractual caps for city carrier assistant (CCA) employment as outlined in the collective bargaining agreement, the United States Postal Service (USPS) and the National Association of Letter Carriers, AFL-CIO (NALC) agree that CCAs in offices listed in the attachment will be converted to either part-time flexible (PTF) or full-time career status by relative standing order as explained below. The parties further agree that PTF carriers in select 200 work year offices will be converted to full-time career status by seniority order, as noted on the attachment.

Such conversions will be subject to the following:

- All conversions pursuant to this memorandum will be made effective as soon as administratively practicable but will occur no later than 90 days from the date of this agreement.
- CCAs that would otherwise be converted to career status will be completed in accordance with the appropriate provision(s) outlined in the collective bargaining agreement.
- In select 200 work year installations, CCAs will be converted to full-time career status as indicated on the attachment.
- In select 200 work year installations, PTFs will be converted to full-time career status as indicated on the attachment.
- In select installations with less than 200 work years, CCAs will be converted to part-time flexible career status as indicated on the attachment.
- Employees converted to PTF career status under the terms of this memorandum will be placed in PTF Step AA, and future step increases will be in accordance with Article 9 of the collective bargaining agreement.
- Conversions made under this memorandum are in addition to conversions to full-time regular opportunities pursuant to the Memorandum of Understanding, *Re: Full-time Regular Opportunities – City Letter Carrier Craft*, however conversions pursuant to this memorandum will count toward the ratios referenced in the Memoranda of Understanding *Re: Full-time Regular Opportunities – City Letter Carrier Craft* and *Re: Reassignment Opportunities*.
- CCAs may decline the opportunity to be converted to career status under this memorandum. A CCA who does not accept the career opportunity will no longer be eligible for conversion to career status under this memorandum but will retain his or her relative standing and will remain eligible for conversion to career status under the terms of the collective bargaining agreement.

Conversions under this memorandum are on a one-time basis and create no further obligation for conversions beyond those specified in the collective bargaining agreement. The provisions of Article 7.3 remain in full force and effect.

This agreement is without prejudice to the position of either party in this or any other matter and may not be cited in any forum except to enforce its terms.
